Inset LED Lights Black Frame

A 3D perspective rendering of a modern wooden headboard. The headboard is constructed from light-colored wood with a vertical grain. It features a large rectangular opening in the center where a television is mounted. The TV displays a vibrant painting of a small white boat with a red interior, beached on a sandy shore with waves in the background. Above the TV, within the headboard's frame, are two circular inset LED lights. A thin black line points from the text 'Inset LED Lights Black Frame' to the top of the headboard structure. The background is a solid dark grey, and the top of the image shows a white ceiling. The bottom of the image shows the top of a bed with white bedding.

Lights
